

WELCOME TO THE 104 SIGNAL SQUADRON NATIONAL REUNION 2006

After five years since the last reunion and lots of planning by your committee, here we are all again, enjoying each others company, telling a few stories (from days long gone but never forgotten) and having a cold one or two. It's also great to have the company of our wives, partners, friends and other veterans.

At the lunch on Sunday we need to work out arrangements for our next 104 Sig Sqn Reunion, maybe in 5 years (2011) as per the normal, appoint a committee, location, etc, plus how we maintain contact with each other. We look forward to your suggestions.

Final program details are below. **Please wear your name tag to all functions as this is also your entry ticket.** Please enjoy yourself and if the committee can help, just ask or ring Ebony Switchboard 0419-334535.
